

STMHA

Mid-Session Registration Fee, Mid-Session Resignation Refund Policy

	Percentage of Full Session Fees Payable		
	Within 1st Third	Within 2nd Third	Within Last Third
Starting After Beginning of Season	100%	75%	50%

Season is based on official league schedule and is measured in weeks (Saturday to Friday), commencing with open skates and concluding with final House League playoff game

New league members joining within the stipulated timeframes are required to pay fees as indicated

Pro-rated fee structure applies to both House League and Select Fees, as applicable

When new league members join within 2 weeks of the beginning of the next timeframe, the STMHA President, Vice President and Treasurer can agree to apply the fees applicable to the next timeframe - consideration will be on a case by case basis as applicable, and is at the discretion of the indicated STMHA Executives

	Percentage of Full Session Fees Refundable		
	Within 1st Third	Within 2nd Third	Within Last Third
Leaving Prior to End of Season	75%	40%	0%

Season is based on official league schedule and is measured in weeks (Saturday to Friday), commencing with open skates and concluding with final House League playoff game

League members resigning within the stipulated timeframes are entitled to refunds as indicated

Pro-rated refund structure applies to both House League and Select Fees, as applicable

When league members resign within 2 weeks of the end of the previous timeframe, the STMHA President, Vice President and Treasurer can agree to apply the refund applicable to the previous timeframe - consideration will be on a case by case basis as applicable, and is at the discretion of the indicated STMHA Executives

Resignation refund structure can also be applied in the case of long term injury or illness, where the league member is unable to participate for more than 50% of the season (continuous), but is not resigning membership and intends to resume participation as soon as medical condition allows. Application of the refund structure to cases of long term injury or illness is at the discretion of the indicated STMHA Executives
